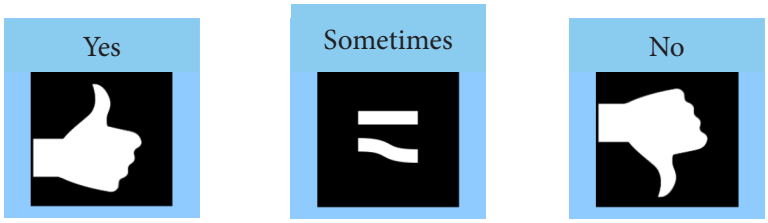
What do you think of your accommodation?

We'd like to know what you think of your accommodation and the support you receive from the staff. That's so we can do it better. You yourself decide whether you want to answer the questions.

It's important for it to be you who answers. A question assistant can help you if you want help when you answer. No-one can see what you've answered.

---

1. Are you allowed to decide on things that are important to you at your accommodation?



☐ ☐ ☐
