Discrimination

The city works actively to combat discrimination in municipal activities, which means your answers concerning your experiences of discrimination are of great relevance in this work. Discrimination refers to when a person is treated unfairly or victimised by any staff in a business. The unfair treatment or victimisation must be linked to one or more grounds of discrimination. There are seven statutory grounds of discrimination. These are sex, transgender identity or expression, ethnicity, religion or other belief, disability, sexual orientation and age.

Have you experienced discrimination within the city's activities in the last 12 months (e.g. school, healthcare, care, sports and swimming facilities, libraries)?

Yes

No

Don't know

If you have felt discriminated against within the city's activities, on what grounds did the discrimination occur in your opinion? *Multiple answers can be selected.*

Sex

Transgender identity or expression

Ethnicity

Religion or other belief
